

WAXCOAT

**INGENIOUS
CAR CARE**

Products for professionals

This product is part of **REFINISH**

Description:

Cartec WaxCoat contains special polymers and Carnauba wax to provide long-term protection and gloss. Cartec WaxCoat does not contain polishing properties.

Product benefits:

- ✓ Provides a deep gloss
- ✓ Provides long-term protection
- ✓ Easy to apply

Application:

Cartec WaxCoat can be used on paintwork after polishing the vehicle.

Instructions for use:

1. Apply a small amount of Cartec WaxCoat directly to the surface or to the blue application sponge (3211/4).
2. Apply the product to the surface using circular movements part by part.
3. Immediately after application, buff the product to high gloss with the Cartec Microfibre Cloth Purple (RF2211C).

Tips & Tricks:

- ✓ Don't let the product sit for too long to prevent it from drying out too far, which can make buffing more difficult.
- ✓ Always use a clean cloth to avoid scratching the paintwork.
